

Michael A. Grubb

December 7, 2021

Department of Psychology
Trinity College
300 Summit St.
Hartford, CT 06106
email: michael.grubb@trincoll.edu
web: AttentionPerceptionDecision.com

EDUCATION

- 2013 Ph.D. Experimental Psychology, New York University
- Cognition & Perception Doctoral Program
 - Dissertation Advisors: Marisa Carrasco and David J. Heeger
- 2012 M.A. Experimental Psychology, New York University
- 2007 M.A. Global Studies, Sophia University, Tokyo, Japan
- 2001 B.A. Psychology, The University of Oklahoma

PROFESSIONAL EXPERIENCE

- 2016 – Assistant Professor, Department of Psychology, Trinity College, Hartford CT
- 2021 – Adjunct Assistant Professor, Yale School of Medicine
- 2019 – 2021 Visiting Assistant Professor, Yale School of Medicine
- Department of Comparative Medicine, Levy Decision Neuroscience Lab
- 2013 – 2016 Postdoctoral Research Associate, Center for Neural Science, New York University
- Laboratory for Economics, Psychology, and Neuroscience of Decision Making
 - Mentor: Paul Glimcher
- 2014 (fall) Visiting Assistant Professor, Department of Neural Science, NYU Shanghai
- 2010 – 2012 Graduate Teaching Assistant, Department of Psychology, New York University
- 2006 – 2007 Academic Coordinator and Instructor, ELS International Academy, Tokyo
- 2005 – 2007 Instructor, Faculty of Medicine, University of Tokyo
- 2002 – 2005 Teacher, Japan International Education Center, Tokyo
- 2001 – 2002 Teacher, Sarasas International School, Bangkok

RESEARCH INTERESTS

Temporal dynamics of attention, perception, and decision making; Impact of reward history and learned associations on attentional control; Attention and decision making; Aging and atypical development
Methods: psychophysics, eye tracking, structural & functional brain imaging

AWARDS AND HONORS

- | | |
|------|---|
| 2020 | Arthur H. Hughes Award for Teaching Achievement, Trinity College <ul style="list-style-type: none"> • Annual award which recognizes excellence in teaching by a junior faculty member |
| 2019 | Research Opportunity Award, <i>National Science Foundation</i> , \$105,008 <ul style="list-style-type: none"> • #1928539: ROA supplement to <i>Decision making under uncertainty across the lifespan: Cognitive, motivational and neural bases</i> (PI: Dr. Ifat Levy, Yale School of Medicine) • Role: Co-Investigator |
| 2012 | Predocutorial Fellowship, <i>Autism Speaks Scientific Research Grants</i> , \$57,200 <ul style="list-style-type: none"> • #7831: Spatial Attention in Autism Spectrum Disorder |

RECENT CONFERENCE PRESENTATIONS (* denotes undergraduate collaborator)

- Albanese*, J., Bernewitz*, E. & **Grubb, M. A.** *Learned but not distracting: low-value stimuli and value-driven attentional capture*. Poster presented at the Vision Sciences Society Annual Meeting, Virtual, May 25, 2021.
- **Grubb, M. A.**, Francis*, J., Leguizamon*, R., Miller*, J. & Wang*, K. *The Decisional Blink? Response criterion and the attentional blink paradigm*. Poster presented at the Vision Sciences Society Annual Meeting, Virtual, May 23, 2021.
- **Grubb, M. A.** & Butler*, D. R. *Sudden onsets reflexively drive spatial attention, but those that predict reward do more*. Accepted as a talk at the Vision Sciences Society Annual Meeting, St. Pete's Beach, FL, 2020, not presented due to Covid-19.
- **Grubb, M. A.**, Li, Y., Larisch, R. & Levy, I. *Prolonged attention to probability reduces probability weighting in risky choice*. Poster presented at the Society for NeuroEconomics Annual Meeting, Dublin, Ireland, October 4, 2019.
- **Grubb, M. A.** *On the Varieties of Visual Attention*. Talk presented at the Sloan Nomis Workshop on the Cognitive Foundations of Economic Behavior, Vitznau, Switzerland, July 5, 2019.

- **Grubb, M. A.**, Christensen*, G., & Albanese*, J. *Does a history of involuntary selection generate attentional biases?* Poster presented at the Vision Sciences Society Annual Meeting, St. Pete's Beach, FL, May 21, 2019.
- **Grubb, M. A.**, & Butler*, D. *Associative learning accelerates the temporal dynamics of covert exogenous spatial attention.* Poster presented at the Vision Sciences Society Annual Meeting, St. Pete's Beach, FL, May 23, 2018.
- **Grubb, M. A.**, & Li*, Y. *Performance-contingent reward training modulates reaction time variability, even in the absence of previously rewarded stimuli.* Poster presented at the Vision Sciences Society Annual Meeting, St. Pete's Beach, FL, May 21, 2017.
- **Grubb, M. A.**, Glimcher, P., & Levy, I. (2016). *Neuroanatomy accounts for age-related changes in risk preferences.* Talk presented at the Society for Neuroscience annual meeting, San Diego, CA.

SERVICE

- Faculty Research Committee, Trinity College, 2021-2024
- Curriculum Committee, Trinity College, 2018-2021
- Study Away Faculty Advisor (Paris), Trinity College, 2017-2019
- *ad hoc* peer reviewer for *Journal of Vision*, *Attention Perception & Psychophysics*, *Psychology & Neuroscience*, *British Journal of Psychology*, *Neuroimage*, *Cognition*, *Scientific Reports*, *eNeuro*, *Motivation and Emotion*, *eLife*, *Communications Biology*, *Social Cognitive and Affective Neuroscience*, *Journal of Experimental Psychology: Human Perception and Performance*
- NSF Reviewer, 2021
- Advisory group to the Vision Sciences Society Diversity and Inclusion Committee, 2021
